

Committee Reports | May 2025

LDR Committee

Andy Crawford (andrewbyroncrawford@gmail.com)

Road

The 2025 Road Grand Prix (RGP) is off to a great start. We have added a new event: the Alameda Hospital Foundation 10k. While PA members were excited for a 10k to be back on the circuit again, unfortunately the course certifier measured wrong and the course ended up being about 6.4 miles instead of 6.2 miles. The membership is unhappy, and the race director is absorbing much of the disgruntledness - even though it is not his fault at all. This does not bode well for the PA, the race/event, nor USATF in general.

Cross Country

The 2025 XC Grand Prix Schedule has been released, and we are excited to share that the Golden Gate Park XC Open will play host to the USATF Masters 5k XC National Championship on Saturday, November 1st. We anticipate strong membership and participation numbers for XC this year, as history shows that when the PA hosts a National Championship event, numbers are strong for the entire Grand Prix.

Mountain-Ultra-Trail

2025 Schedule has been released.

Other

Andrew Crawford looks to transition from Mens LDR Chair to Masters LDR Chair, and will not be the RGP coordinator for the 2026 RGP.

Angie Longworth looks to continue as Womens LDR Chair, and will support as the RGP coordinator for the 2026 RGP. Tom Bernhard will continue to be involved and support; his knowledge, experience, and dedication remain paramount to the PA LDR Committee's continued success.

—> We currently do not have a Mens LDR Chair nomination. This is an urgent request.

—> There are many vacant positions, and the LDR Committee is desperately seeking volunteers to step up and help support.
