A USATF Sanction is a game-changer for your event.
Here is why event directors choose USATF:

Seamless Insurance Coverage and Customer Service – receive best-in-class coverage with a dedicated team working to protect you from the unknown

More Athlete Participation – with the inclusion of the World Athletic world ranking system, it's now more important than ever to provide more opportunities for athlete performances

Fair & Equitable Competition – you can step to the line knowing that everything from competition rules to event safety are being followed to the highest standards

Whether you're hosting a local 5K or a major marathon, a USATF Sanction is key to your success

Sanction with USATF and make an impact!
